5 Villages Alive

Volume 20 Issue 1 January 2023

Being adaptable .....

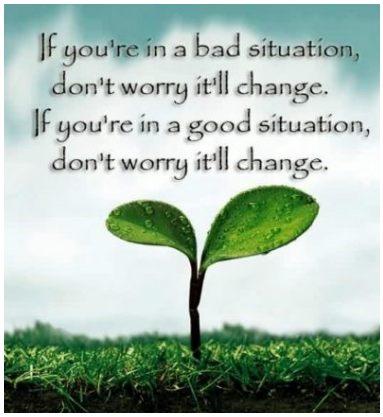

They've turned up again: The winter thrushes. I love seeing them all around. They're the birds that fly out of the trees and bushes at this time of year having arrived from Scandinavia a few weeks ago. Fieldfares are the large pale ones which chatter at you and Redwings are the slightly dumpier ones, with black eyeshadow, who whistle to each other. If they think the weather here is good then think what it must be like where they've escaped (sorry- migrated) from! When they arrive here they spend their time in the trees and bushes finding every last seed and fruit they can spot. In the New Year when there seems to be nothing left they drop down onto the fields and gardens and feed on any insects they can find. I believe their guts actually change in length so they can cope. Now that's what I call being adaptable! Change homes every year; change diet every year! Then go back to your summer residence. What a life! Perhaps all that chattering and whistling is them moaning about life but somehow I don't think it is.

As climate change really kicks in, the wildlife around us is changing in so many ways. Insects which we once took as rarities are becoming quite common; hornets nest here every year but I rarely saw them years ago. Other animals which we used to see quite regularly are now almost absent; when did you last see a turtle dove, and even starlings no longer nest in our shed. Some things adapt to change, others struggle.

The thought of having to adapt to new things gets a bit more daunting the older you get. Change can be quite exciting when you're young but now I'm not so sure. Jamie Oliver reckons that when you've got youth on your side you're not overtaken by reality, negativity or logic. (I'm not sure about the "logic" thing. It seems to me that logic has nothing to do with age!) Above all, you still need to dream and try new things. At this New Year we're bound to wonder what 2023 will bring. How easy will we find it adapting to change? Let's hope we meet those changes positively whatever they are. Happy New Year!

FALFIELD POST OFFICE

A reminder that the Post Office will be permanently closed on a Saturday. We shall continue to operate a full Post Office service on Monday – Friday, 9.00am – 5.30pm, with no lunchtime closing.

However, we will be able to offer some Post Office services through the retail area, such as: phone top-ups, electric and gas top-ups (for those on pre-payment meters), lottery products and standard 1st & 2nd class stamps. The shop will also be offering a 'cashback' facility up to £50.00.

The Royal Mail collection from the Post Box is unaffected and is normally made at about mid-day on a Saturday.

During the winter months, we shall be closing the shop one hour earlier on a Sunday, at 4.30pm. We are sorry for any inconvenience caused by these changes.

Rita Ponting thanks everyone who supported the coffee morning held in Tytherington Village Hall on 12th November to raise funds for CRY.

You all helped to raise the wonderful sum of £987.95 which will go towards putting on a local heart screening for 14 - 35 year olds.

Thank you.

Professor Ronald Hutton talks about "King Alfred the Great"

It was "standing room only" the last time professor Ronald came to speak in Thornbury so don't miss learning all about the most famous English king in the first half of a millennium of England's history.

King Alfred the Great is the only one who regularly features as a modern screen hero and is often regarded as the person who created England itself. The Victorians thought him the most perfect of our monarchs. More recently it has been appreciated how completely the historical resources we have for him were created by Alfred's own propaganda machine, so that our image of him is the result of "spin".

Can we still find a real person behind the image and discover how "great " he was?

Where does "burning the cakes" come in?

Questions are to follow the talk.

Professor Ronald Hutton's talk takes place in St.Mary's Church Hall, Eastbury Road, BS35 1DR on Tuesday 21st February at 7.30pm. Tickets: £7.50 from AAGThornbury@gmail.com or 01454 850933.

Cromhall History Group Exhibition

Were you one of those folks who missed out on the History Group's exhibition last year?

If so, you're in luck as it will be on view again in **St Andrew's Church on Saturday 25th February.** Bacon butties will be available in the morning with usual refreshments all day.

Even if you saw the exhibition first time round there's bound to be something you missed or maybe you know something the group is unaware of, so do come along.

It will be a fascinating day for all, so please do put the date in your diary now - **25th February 2023**

Falfield Parish Council

In the absence of Cllr Jarvis Vice Chair Cllr Gregory chaired the meeting held on Monday 5th December 2022.

Before the business of the meeting commenced Cllr Gregory informed Cllrs of the deaths of the following individuals who had previously served on the Parish Council:

Mr Colin Murton who served from 2012 to 2015 and Mr Eddie Gadsby who served from 1987 to 2004 and was also Chair of the Council from 1989 to 2000.

The Clerk informed Cllrs that no nominations had been received during the period of notice for the two casual Cllr vacancies. As it was now less than six months before the next Parish elections are due to take place there is no requirement on the Council to actively fill these vacancies in the meantime.

Following the previous meeting when a member of the public requested whether a dog bin could be placed at the entrance to the Falfield Grange Open Space off Sundayshill Lane, the Clerk contacted Vistry to ask if they would be able to provide a dog bin at the footpath entrances to the Open Space off Sundayshill Lane and Moorslade Lane. Vistry responded that they had asked the Management Company Gateway to undertake ongoing monitoring of any dog litter being dropped before making any decision.

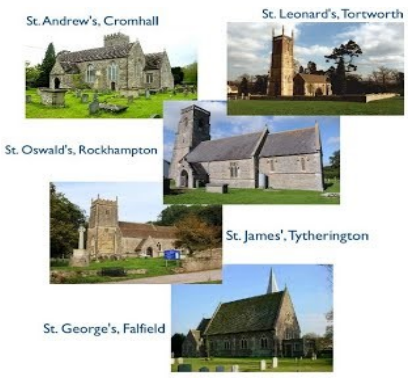

Ward Cllr John O'Neill provided an update on the Park & Share confirming that the original landowner had now purchased the land back from Vistry and had offered it to South Gloucestershire Council at a peppercorn rent although South Gloucestershire Council had not yet come to any decision. When asked by Cllr Salt, Cllr O'Neil confirmed that whoever is in ownership of this land is governed by the original planning conditions which state that the land can only be used in perpetuity as a Park & Share.

Cllrs approved the Council's budget and Parish precept at the meeting for 2023/2024 and given the expected increase expenditure Cllrs agreed to use £1,500 from its reserves to offset the increase in the precept. The Parish precept for 2023-2024 was set at £8,442.00 which would see a typical Band D property increase from £24.06 to £25.82 annually.

The first meeting of 2023 will take place on **Tuesday 15th January commencing at 7.30pm.**

New Year – New Will

This January make a new year's resolution to make sure you have an up-to-date Will in place.

To help you, our local legal experts in Wills – Simpson Solicitors – offer all our readers a genuine FREE review meeting. You will not feel rushed as they will take as long as you need.

Not having an up-to-date **Will** can mean the inheritance you leave not going to the people you'd want and might be wasted on the cost of legal disputes or paying avoidable care home fees or inheritance tax.

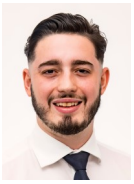

Not having up-to-date **Lasting Powers of Attorney** that appoint those you trust to support you, can leave them feeling helpless and unable to support you in receiving the care and financial assistance that you would want.

With Simpson Solicitors you have the reassurance of a locally based team who have just won the prestigious National award of being the legal Customer Champions 2022. This recognises how their Wills Service aims to make every client feel welcome, wanted and cared for.

The award-winning team are fully regulated also give you the promise of No Hidden Costs and include a FREE supported signing meeting and FREE life-long storage of your documents with their competitive and clear fixed prices.

If getting to their offices is difficult for you, they also offer a FREE Home Visit Service for our readers.

Michael Llewellyn says, "Make sure you are remembered for all the right reasons and not for leaving behind a legal mess for your family to sort out. We will guide you through all the issues you should think about to prevent problems for your family."

Book your free January meeting now by calling their friendly team and make use of our special offer of **20% off** the cost of Lasting Powers of Attorney if you buy both a health and a financial LPA. Email message@simpsonslawuk.com or call on **01454 412 278**

Falfield WI in December

Party frocks were the order of the day for the December meeting along with a warm drink and a welcome at the door.

A short meeting was held to say that January 10th would be the next get together at the village hall. Emily Davis will tell us about her work for Pop Paper City, a children's TV programme. We will also be making papercraft with her.

Members are asked to bring along any fashion accessories they no longer need for a swapping session.

The Blenheim visit had been very successful and thoroughly enjoyed by those who went to see the Christmas decorations.

We enjoyed a Bring and Share supper along with quizzes, games, a skit and a short but hilarious panto. Jenny Pain played a medley of songs and tunes to guess and join in with. Thank you to the committee for their hard work.

Happy New Year to one and all.

TORTWORTH PARISH MATTERS

The latest Parish Meeting was held on 6th December at the Tortworth Estate Office. The main topics of discussion were as follows:-

- **Road Safety –** Tortworth School had raised concerns about road safety in and around the School entrance. Speed surveys had been carried out and further thought was being given to what the potential solutions are for any issues arising. The main safety problem is where cars undertake vehicles that are waiting to turn right to Cromhall. In doing so they then drive across the school entrance.
- **Local Planning Matters –** Cllr John O'Neill provided an update on proposed developments at Falfield, Cromhall, Charfield and the proposed Charfield Railway Station.
- **Tortworth Litter Pick –** The annual community Litter Pick was agreed to be held on Saturday 25th March. Volunteers are encouraged to attend.

The next meeting is on **Tuesday 7th March** 2023 at The Tortworth Estate Office at 7.00pm.

It would be lovely to see more Tortworth parishioners attending to help shape what goes on in the Parish.

TYTHERINGTON PARISH COUNCIL

Tytherington Parish Council wish all residents of Tytherington and Itchington a happy New Year.

This year the Parish Council are conducting a Consultation on some new play equipment in both the Jubilee Field and Hardwicke Field. It would be really helpful if as many of you as possible complete the on-line questionnaire.

The first part of the consultation is aimed at the youngsters in the village and what they would like to see happening. There is a QR code at the bottom of this article which should bring up the consultation, otherwise you can find it on www.tytherington-pc.gov.uk and the Tytherington Parish Council Facebook page.

The closing date is the **31st January 2023** and we will then hope to arrange a presentation by Wicksteed, the preferred contractor, in respect of the play and sports equipment. There are 4 £25 Love to Shop vouchers to win if you leave your email address on the consultation paper.

The S106 money available is from both the Walnut Field development and Stowell Hill Road developments and is designated funding to purchase new play/sport equipment for youngsters on both the Jubilee Field and Hardwicke Field. The PC already have funding to put a Multi-Use Games Area (MUGA) on the Hardwicke Field and also improve the play equipment on the Jubilee Field but there is now more funding to upgrade the projects.

The Vehicle Activated Sign (VAS) is now working at the top of Stowell Hill Road and it will be moved to Itchington Road in the new year. The PC are still waiting on the outcome of a grant from Larks Green Solar Farm, which will enable them to fund the purchase of solar panels on the roof of the village hall.

On 4th May 2023 local elections will be taking place, which includes Tytherington Parish Council. The Parish Council can only be as effective, relevant and vibrant as the people elected to run it, so we need councillors who are capable, energetic and engaged – from all backgrounds and experiences to reflect the community.

Being a councillor is highly rewarding - no other role gives you a chance to make such a huge difference to the quality of life of people in your local area and to influence the way issues are dealt with locally. To fairly represent the village you would need to be able to commit a number of hours a week to your Council responsibilities.

Information on how to become a Councillor will be posted on the Council's Facebook page when it becomes available. Tytherington Parish Council | Facebook

Finally, it has been suggested that a Neighbourhood Plan be produced to try and control development in the Village. A brief introduction can be found Neighbourhood planning | BETA - South Gloucestershire Council (southglos.gov.uk). If you would like to be part of the initial process or can offer expertise then please get in touch with the clerk on mailto:clerk@tytherington-pc.gov.uk

Rockhampton Parish Council

Speeding vehicles through the village was again the main topic of the meeting. Cllrs had agreed at their August meeting to look at the installation of 'Village Gates' on the Lower Stone Road, however on reflection it was agreed that, before any further steps were taken to obtain the necessary permissions and the purchase of any gates further calming measures should be investigated for the length of the road running from the entrance to the village from Lower Stone end through to Thornbury Rugby Club and Cllrs ask Ward Cllr Riddle if he would take these suggestions back to StreetCare. Cllr England realised that the cost for the supply and installation of the 'Village Gates' would be the responsibility of the Parish Council but would like to think that other calming measures proposed would be covered by StreetCare.

Cllrs approved donations of £50 each to the 4 Ward Magazine, 5 Alive Magazine and Citizens Advice. They also approved the Council's budget and Parish precept for 2023/2024. The Parish precept for 2023-2024 was set at £3,700.00 which would see the typical Band D property increase by £3.50 annually.

The next meeting of the Council will take place on **Monday 27th February 2023 commencing at 7.30pm.**
